Release ID	Mode	Summary	Status	Owner
AM_1.6_13	Appmod mode	When we are doing smart sync sometimes the process is getting stuck in between and we see "Files Processed For Chunking" and the ingestion get stuck on this stage itself	Ready to Release ▾	rishabh.srivast...
AM_1.6_14	Appmod mode	Smart Sync:Keep all packs, and standards in sync across the workspace, with version controls	Ready to Release ▾	Suraj Saxena
AM_1.6_15	Appmod mode	Sortby Filter based on Validation Score	Ready to Release ▾	Suraj Saxena
AM_1.6_16	Appmod mode	Show Supported Packs First in Marketplace	Ready to Release ▾	Suraj Saxena
AM_1.6_27	CW Core	FixMod 2.0: CSS improvement for beautification	Ready to Release ▾	Leela Arvinda ...
AM_1.6_28	CW Core	Fix: Accurate intents display based on user query Intent update in CSS for all the agents	Ready to Release ▾	Leela Arvinda ...
AM_1.6_29	Appmod mode	Fix: Numbers to bullet points and 'view more' after 3 sentences in executive summary	Ready to Release ▾	Kesha K Kaner...

| AM_1.6_30 | CW Core | Fix: Instant Learning feedbacks and enhancements | Ready to Release ▾ | Devesh Patel |

Bug fixes being pushed

Release ID	Summary	Status	Owner
Prod_EXP_010	Getting 'Oops! Not what we expected : 'llm_model' after saying Hi	Ready to Release ▾	Rithuraj Nambiar
Prod_EXP_013	Project status is displayed as 'Analyzing' on 'Your Codebases' but the analysis is completed;	Ready to Release ▾	Sambhav Garg / rishabh.srivastava...
Prod_EXP_01	Accordion title not found	Ready to Release ▾	rishabh.srivastava...
Prod_EXP_020	User is not able to share project when user refresh screen of project analysis and share	Ready to Release ▾	Yash Sakalley
Prod_EXP_021	Unable to delete repos, even after clicking delete the repos are not deleted	Ready to Release ▾	neeraj.saini@tech...
Prod_EXP_024	Sync gets enabled again while a current sync is already in progress when navigating to the CS page and then returning to the Executive Summary page	Ready to Release ▾	rishabh.srivastava... / deepesh.godhwan...
Prod_EXP_03	User is able to move ahead without entering project name	Ready to Release ▾	neeraj.saini@tech...
Prod_EXP_05	Instant learning[iL+] is not working, giving 'Provide the mode assistant name' error	Ready to Release ▾	neeraj.saini@tech...
Prod_EXP_06	Release notes is not working	Ready to Release ▾	neeraj.saini@tech...

Prod_AM_1.5_5_02	1. Incorrect message is displayed when user opens project from chat which is in 'Request pending' status 2. User is able to select the project, and that is creating issue in AI	Ready to Release ▾	neeraj.saini@tech…
Prod_EXP_022	Askmod doesnt open when user clicks on minimise; it just opens the Appmod banner currently	Ready to Release ▾	priyanshu.gupta@…
Prod_AM_1.5_4_1	Incorrect project name is displayed	Ready to Release ▾	neeraj.saini@tech…
Dev_AM_1.6_13_01	Got error in fetching repo summary and error in file hierarchy	Ready to Release ▾	rishabh.srivastava…
Dev_AM_1.6_4_01	Shared chat is not displayed when logged out user tries to open shared link	Ready to Release ▾	deepesh.godhwan…
Dev_AM_1.5_1_01	AI response is not correct	Ready to Release ▾	Leela Arvinda Red…
Dev_AM_1.5_1_02	The AI response has a formatting issue.	Ready to Release ▾	Leela Arvinda Red…
Dev_AM_1.5_1_03	The AI response has a formatting issue.	Ready to Release ▾	Leela Arvinda Red…
Dev_AM_1.5_1_04	The AI response has a formatting issue.	Ready to Release ▾	Leela Arvinda Red…
Dev_AM_1.5_14_05	App is crashing when we get <sup in response	Ready to Release ▾	Shivansh Mathur
Dev_AM_1.5_14_08	DB analyzer is not working	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_09	Application is throwing 'Page Not Found: The resource you're looking for isn't available.' and 'Error while fetching nodes' toast messages after opening analyzed project	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_010	Architecture diagram is showing some garbage data	Ready to Release ▾	Sri Ram M S

Dev_AM_1.5_14_03	All checkbox from 'Loaded Data Sources' is not working	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_04	Cancel button is not working on 'Add GitHub repositories' popup	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_05	User is able to move ahead without selecting dataset ID	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_01	Formatting added during addition of description is not displayed after saving it	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_02	The check box in 'Loaded Data Sources' is not getting autochecked after adding dataset	Ready to Release ▾	Sri Ram M S
Dev_AM_1.5_14_07	User is able to add same dataset while adding multiple data sources	Ready to Release ▾	
Dev_AM_1.5_14_010	After starting analysis, the app does not display success screen or no loader for sometime	Ready to Release ▾	
Dev_AM_1.5_14_011	Application is displaying analysis of only 1 data source, when user adds two data sources to analyze	Ready to Release ▾	
Dev_AM_1.6_30_01	When to apply item is getting overridden when user performs steps mentioned in column J	Ready to Release ▾	Devesh Patel
Dev_AM_1.6_30_03	User is not able to add modification to text and tooltip in single convo with AI	Ready to Release ▾	Devesh Patel
Dev_AM_1.6_30_05	Existing conditions are removed in when to apply when user asks AI to add 3rd condition	Ready to Release ▾	Devesh Patel
Dev_AM_1.6_30_06	When not to apply condition is not getting updated after AI updates it	Ready to Release ▾	Devesh Patel
Dev_AM_1.6_30_07	Requested modification text and tooltip are not reflected on RHS when user starts new chat on LHS	Ready to Release ▾	Devesh Patel

DEV_CS_3	While updating/editing a coding standards , junk text is added in instruction field in the CS	Ready to Release ▾	akash.mishra@techolution.com
DEV_CS_14	Smart Sync intermittently fails to display details upon click	Ready to Release ▾	bhawani.bharti@t...
DEV_CS_15	Duplicate repositories are appearing in the Smart Sync popup	Ready to Release ▾	varadha.omkareshwar@techolution.com
DEV_CS_16	Sync shows 'Something went wrong' error, but incorrectly displays a success message afterward for the new version	Ready to Release ▾	bhawani.bharti@t...
DEV_CS_17	After switching to the previous version, Smart Sync displays previously synced code changes again	Ready to Release ▾	bhawani.bharti@t...
DEV_CS_28	Updated re-scan flow to use initial commitHash	Ready to Release ▾	kishore.kumar@techolution.com
DEV_CS_32	The resolved violation still appears in the violation summary and is highlighted at an incorrect line number (after performing sync)	Ready to Release ▾	mohammed.feroz@techolution.com harsh.vasisht@techolution.com
PROD_CS_31	After using "Clear Selection", the unselected pop-up displays the Core Standard as well in the unselected pack	Ready to Release ▾	varadha.omkareshwar@techolution.com
PROD_CS_50	Latency on the CS violation summary page	Ready to Release ▾	kishore.kumar@techolution.com
PROD_CS_45	The search text remains in the search field after saving or adding CS.	Ready to Release ▾	varadha.omkareshwar@techolution.com
DEV_CS_30	During re-scan, the count updates dynamically without showing the 'In Progress' state on the card in the Executive Summary.	Ready to Release ▾	bhawani.bharti@t...

PROD_CS_41	I stopped the scan for two packs, but when stopping the scan for the second one, it didn't stop properly. Additionally, the first scan—which was previously stopped—started running again	Ready to Release ▾	bhawani.bharti@t…
DEV_CS_37	Delay the closure of the dialog after the 'Remove Analysis' or 'Re-scan' action is triggered	Ready to Release ▾	bhawani.bharti@t…
PROD_CS_57	From the Codebase Insights dashboard, when a user navigates to the Coding Standard tab via the Project menu and clicks on "View Log", the logs API call fails	Ready to Release ▾	varadha.omkareshwar@techolution.com

PROD_EXP_030	AM_1.5_14	UI Issues - marked text should be smallcase	Sev 4 ▾	To do ▾	
PROD_EXP_033	NA	Failed analysis codebase should show previous successful version in order for user to use them	Sev 4 ▾	To do ▾	

Dev open bugs

Bug_ID	Release ID	Bug description	Priority	Status	Comments

DEV_CS_38		The Core-Standard pack re-scan is stuck at 0 count. Hard refresh doesn't update the progress.	Sev 1 ▾	To do ▾	
DEV_CS_42		The analysis status shows "In Progress (7/8)", even though there are no active CS analyses currently running. Additionally, the analysis count appears to be incorrect.	Sev 1 ▾	To do ▾	
Dev_AM_1.6_4_02	AM_1.6_4	Continue chat is not working when user opens shared chat from 'Project' folder	Sev 2 ▾	To do ▾	
Dev_AM_1.6_4_03	AM_1.6_4	From chat, project is not auto-selected when user opens shared chat of particular codebase (user has access to codebase)	Sev 2 ▾	To do ▾	
Dev_AM_1.6_3_01	AM_1.6_3	The expanded secion is getting closed everytime response is being generated	Sev 2 ▾	To do ▾	
Dev_AM_1.5_14_012	AM_1.5_14	Issue in chunking, code preview for the query is not complete	Sev 2 ▾	ReTest f… ▾	
DEV_CS_12		Clicking on any function name in the file summary view redirects to the dashboard	Sev 2 ▾	To do ▾	
DEV_CS_29		There seems to be a delay in reflecting changes, and at times, the updates don't appear on the first attempt during sync.	Sev 2 ▾	To do ▾	
DEV_CS_33		The individual example auto-generation isn't working for the following languages: data, Julia-Markdown, list, map, markdown, and object.	Sev 2 ▾	To do ▾	
DEV_CS_35		Receiving identical violation details for different lines within the same file despite the code being different	Sev 2 ▾	To do ▾	
DEV_CS_41		While generating an example, it's possible to remove the selected language from the language field, but the system still notifies that the example has been generated for that language	Sev 2 ▾	To do ▾	

Dev_AM_1.6_4_04	AM_1.6_4	AI does not mentions user does not have access to codebase when user opens shared chat for codebase which he does not have access to	Sev 3 ▾	To do ▾	
Dev_AM_1.5_14_07	AM_1.5_14	UI issues - we need add texts related to database when user is adding DB and later viewing codebase Insights	Sev 3 ▾	To do ▾	
Dev_AM_1.6_29_01	AM_1.6_29	When the width of section is changed or screen size is changed, the 'View more' comes on 1st line of 4th line	Sev 3 ▾	To do ▾	
Dev_AM_1.6_29_02		User is able to view more without clicking on 'View more'	Sev 3 ▾	To do ▾	
DEV_CS_36		The languages that were previously unsupported still do not have the default pack selected for Coding Standards, after the recent language update	Sev 3 ▾	To do ▾	
DEV_CS_39		Saved data is missing on first reopen after CS update, but appears on the second attempt	Sev 3 ▾	To do ▾	
DEV_CS_40		When clicking on an already generated example language and then selecting 'Updated Coding Standards,' it does not navigate to the missing example fields as expected.	Sev 3 ▾	To do ▾
